PROPOSED DRAWING CORRECTIONS

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

ATTN: OFFICIAL DRAFTSMAN

Sir:

Applicant requests approval of the drawing correction in Fig. 7 as shown in red on the attached sheet.

The proposed corrections only comprise transposition of the letter combinations SGF and SGFV with respect to the concentric circles in Fig. 7 schematically representing Management Systems.

More particularly, in Fig. 7, the File Management system (SGF) is represented as a subset of the Virtual File Management system (SGFV), but the specification clearly states the opposite. At page 22, lines 16-18, it is stated "In a practical way, as illustrated schematically in Fig. 7, the system "SGFV" can constitute a subset of a standard "SGF" system, and more precisely, an "SGFV" is contained in an elementary file, as defined by aforementioned ISO 7816-4 standard".

A corrected version of Fig. 7 is attached in which the SGFV is shown as a subset of the SGF.

Please substitute the attached sheet showing new Fig. 7, together with unmodified Figs. 6 and 8 so that Fig. 7 corresponds to the description given in the specification.

Respectfully submitted,

A handwritten signature in cursive script, reading "Edward J. Kondracki", written over a horizontal line.
